NOTICE TO LOT OWNER

- Attach a plot plan of your lot showing the structure location and set back measurements.
- Attach pictures or complete structural plans of the proposed structure showing all sides.
- Stake all corners of the proposed structure visibly on your lot.
- Stake all corner markers of your lot. We suggest that you have your lot surveyed by a surveyor.

PLEASE READ - SIGNATURE OF THE LOT OWNER REQUIRED

Application is hereby made for permit to erect or alter a structure as described herein and shown in accompanying plans and specifications. The structure is made to be located as shown on the accompanying plot plan. The information which follows and accompanying plans as specifications, with the representations therein contained, are made part of this application in reliance upon which the CSL Community Association, Inc. Architectural Committee is asked to issue a permit. It is understood and agreed by this applicant that any error, misstatement, or misrepresentation of material fact, either with or without intention on the part of this applicant, such as might, or would operate to cause a refusal of the application, or any material alteration or change in the accompanying plans, specifications, or structure made subsequent to the issuance of a permit in accordance with this application, without the approval of the CSL Community Association, Inc. Architectural Committee, shall constitute sufficient ground for revocation of the issued permit. Must be a lot owner and in good standing before application can be approved. No permit will be issued to ANY property owner who has a violation on any of his/her lots. THE FACT THAT THE LC IS INSPECTED AND A PERMIT ISSUED DOES NOT CREATE A WARRENTY OR GUARENTEE OF ANY KIND BY CSL COMMUNITY ASSOCIATION, INC. OR ITS REPRESENTATVES.
